.....
Arrival:

Turn gas on at the bottles outside the hut.

To light gas lights – pull down the lever and ignite mantle

Use new solar lights sparingly, switch individual lights OFF or to LOW whenever possible

When the heater is first lit, leave the door slightly open until the fire is burning well.

Leave the vent slightly open at all times.

Leave everything locked when away from the hut.

Departure:

Please top up kindling and wood inside the hut.

Make sure the fire is safe and completely banked down.

Turn off the stove and all lights.

Replace shutters.

Close and lock external shutters on new window

Turn gas off at bottles outside.

Please DO NOT leave any extra food etc. in the hut (as it is not used, attracts vermin, and takes up valuable storage space.)

Please leave toilet paper out in the hut

Please take all rubbish with you and leave the hut as you would hope to find it.

Make sure everything is well and truly locked.

Requirements:

Sleeping bag, pillow case, food, toilet paper, torch
